Mowing Services for District 6, to be opened March 10, 2016, 3:00 P.M. CDT

## **Questions and Answers**

Below is the revised answer to question 1 addressed in Addendum One Questions and Answers provided for the above mentioned Request for Proposal #R09-16. The questions and answers are to be considered as part of the Request for Proposal. It is the Bidder's responsibility to check the NDOR website for all addenda or amendments

Questions	Answers
I would like to know the last contract price for these areas?	The 2015 annual contract value per area was: Area 610: \$43,437.72 Area 620: \$42,680.16 Area 650: \$37,768.50 (amount does not include hand mowing).
Also, are all areas bidding separately or as one contract?	NDOR reserves the right to award to multiple bidders in whole or in parts.  Please refer to section III. B. Award of the RFP, which reads: "All purchases, leases, or contracts which are based on competitive proposals will be awarded according to the provisions in the Request for Proposal. The State reserves the right to reject any or all proposals, wholly or in part, or to award to multiple bidders in whole or in part, and at its discretion, may withdraw or amend the Request for Proposal at any time. The State reserves the right to waive any deviations or errors that are not material, do not invalidate the legitimacy of the proposal, and do not improve the bidder's competitive position. All awards will be made in a manner deemed in the best interest of the State. The Request for Proposal does not commit the State to award a contract. If, in the opinion of the State, revisions or amendments will require substantive changes in proposals, the due date may be extended."

This addendum will become part of the proposal and should be acknowledged with the Request for Proposal.
